Notes: Thirteen events were scheduled. There were no flights in the Antique or Glider events. Contestants with the sole flight(s) in an event receive one championship point. Winners of events with two contestants receive two championship points. New SAM 27 member, Stewart Saunders was the only contestant to take advantage of the Bill Bowen "Do Over" and purchase a second and third flight card. His flights on the first card were best. Bill Hooks Champion was Mike Clancy. Runners-up were Tom Moore and Tom Empey.

The weather was beautiful all three days.
