Mike Hofacre called the meeting to order 12:40 pm

Chip Buss – Treasurers Report – We had 1 Expense for clean up at the field. They did a good job. It is all cleaned up.

New Business

Frank Plexico – Field Report – Taxi way needs repair. We will cover up with new fabric and leave the old fabric in place. Don't walk in the weeds you might sink in the mud.

Field Equipment – Mike Sidwell is working on getting them running. We have found a place to store them close to the field. We need to get a trailer to transport them to the field when we use them.

Rod Persons – Free Flight Report – SAM Champs is coming up in September 19 - 22. The Free Flight will be at Waegell Field. R/C will be at Woodland-Davis Aeromodelers.

Old Business

Aric Wilmunder – AED – Brought in a AED provided by the Novato Fire Department. Training is next. Aric showed a list of AED classes that are offered on line for #37. Also showed a list of in person classes. You take the on line course and then the in person class. We also need a club first aid kit to go with the AED.
