Old Business:

Mike Clancy reported on C&B contest. Good time was had. Attendance was low.
The special glider event sponsored by Bob May (he donated the gliders) was enjoyed by the entrants and won by Jarron Wlodaver.

Mike Clancy noted that the ½ A Texaco postal was still on going till end of November.

(Our entry was recorded and our results are attached)

Jim Temple reported the same for the speed 400 postal (results attached)

New business:

Chip Buss reminded the members that the Hat and shirt order was going in soon.

It was brought up that that we need to get someone new registered as a contest director.

Currently only Mike Clancy, Ed Hamler and Steve Rosell are C/Ds. All are not interested in keeping the job.

Frank Plexico brought up the question, do we need a C/D at our contests at our field? Not at our field.
