

Monthly Mar 90  
Primer

There will be a club meeting on March 21. (Wednesday)

Time: 7:30 PM

Location: The Novato Fire District training room on  
Atherton R. Novato.

There were 17 club members & prospective members at last months meeting at Remo Galeazzi's aircraft hanger. We had Gollywocks, engines, folding props, exotic rubber motor winders, models, and full scale aircraft to marvel over. (Remo probably spent a week polishing the finger prints off his beautiful aircraft.) Everyone had a great time. A special thanks to Remo.

Several members have requested a SAM 27 club roster. A current list (as of Mar. 90) is included in this mailing. Please let me know if any corrections need to be made.
